OVERVIEW

The starter work, *done properly.*

Before a business can grow, it has to exist on paper, stay on the right side of compliance, and have somewhere to sell. That groundwork is slow, scattered and easy to get wrong.

Klentec brings it together. One team registers your company, keeps your GST and filings on schedule, drafts the documents that protect you, and builds the store, dropshipping setup or template-based website that starts bringing in revenue.

01	Company Registration	START RIGHT
02	GST & Tax Compliance	STAY COMPLIANT
03	Legal & Business Documentation	PROTECT WHAT YOU BUILD
04	E-Commerce Solutions	SELL EVERYWHERE
05	Dropshipping Solutions	LAUNCH WITHOUT INVENTORY
06	Website Templates	READY-MADE, PREMIUM

01

START RIGHT

Company Registration

Choose the right structure and get registered without the paperwork chase. We prepare, file and follow up until your certificate is in hand.
